HER METHODS & PLANT ENRICHED DIET

She is an avid believer of

herbal medicine, naturopathy, homeopathy, a plant-enriched diet, and other alternative forms of healing that have assisted her in rebuilding her health while enduring 28+ years with an autoimmune liver disease. Angela is currently a Brand Ambassador for Garden Of Life and was the 2018 National LIVER Champion for the American Liver Foundation.

TESTIMONIALS

"Working with Angela has been amazing! She is incredibly kind, warm and down to earth in her approach. I could feel the energy as she worked on me, and our sessions moved a lot of gunk energetically and physically for me! She also left me with helpful information to continue moving forward and healing. I highly recommend her!"

- Elizabeth Randles Webb

"A session with Angela will leave you with new visions of hope and love. Her communication style is one of truth, grace, and joy. She reaches deeply into the ethers to help guide your way and help you reach clarity and helps you to see new possibilities and opportunities. She reads your spirit with a great sense of purpose and service and speaks with protective love. She is delightful, with a warrior soul."

-Katherine Banani
